

About Rajapalayam Rajus' College

Rajapalayam Rajus' College, a philanthropic organization of the Kshatriya Rajus' Community of Rajapalayam began its journey on 22nd June 1973 as a pioneer institution in the town to provide more opportunities to the rural students in higher education. The College has taken unstinting efforts to cater to the needs of thousands of first generation learners from sub-urban and rural areas. The Institution aims at shaping its students into responsible and worthy citizens of Mother India. Emphasis is laid on imparting edifying knowledge and cultivation of character. The College stands for the ideals - Discipline, Devotion and Dedication. It strives hard to nurture the students with competencies to gain confidence about their careers and thereby contribute to the society. The lush green campus of the College propagates compassionate spirit and culture where the students accept each other's strength and weakness, pain and pleasures and thereby support each other to be physically and mentally stable. The College is affiliated to Madurai Kamaraj University, Madurai and adheres to the curriculum framed by the University. The College being a Linguistic Minority Institution admits 50% of the students based on merit following the rules of communal reservation and the remaining based on Management quota as per the norms of the Government of Tamil Nadu. The College has been reaccredited with "B++" Grade by NAAC in 2020. Our Institution offers 13 UG Programmes, 6 PG Programmes, 2 M.Phil Programmes & 2 Ph.D. Programs and enrolled 2342 students. At present 101 teaching staff & 44 non-teaching staff in service.

About the Workshop

In the near times, Intellectual property rights have become widespread subject in all the disciplines of study. It is essential to protect the Intellectual property to earn recognition and financial benefits to facilitate organization for economic growth. Recently, IPR has become a vital issue in the developed and developing countries. In order to know the importance of IPRs as a marketable financial asset and economic tool among the researchers, initiative is taken by the Patrician Institution's Innovation Council of Patrician college of Arts & Science, and Rajus' College Rajapalayam to conduct a National Level Technical workshop on Innovation and Research in Academic Institution's in association with Tamil Nadu State Council for Science and Technology Chennai & Catalyzed & Supported by the Department of Science & Technology, New Delhi

About Patrician College of Arts & Science

Established in 2001, is a Christian minority co-educational self-financing institution affiliated to the University of Madras. It was instituted by the Brothers of St. Patrick, a congregation established by Bishop Daniel Delany on 2nd Feb 1808, in Ireland. The College has been reaccredited with "A+" grade by NAAC in 2021. The College offers 13 Undergraduate, 6 Post Graduate and 2 M.Phil. Programmes in two shifts. There are 125 committed teaching faculty and 3480 students under the leadership and guidance of college Director and Secretary, Academic Director, Principal & Vice Principals.

PIIC leverages Innovation and Inventiveness of Students and Faculty by connecting people and facilitating entrepreneurship through innovation and research. The Council aims at designing and developing opportunities for new ways to think, learn, innovate, grow and create an awareness about patenting among faculty, students and researchers.

About TNSCST

Tamil Nadu State Council for Science and Technology (TNSCST) is an autonomous organization under the Department of Higher Education, Govt. Of Tamil Nadu. TNSCST maintains liaison between Government of India and the State Government and initiates, directs and coordinates research activities of Government Departments, Universities and other professional bodies with a view to aid development of Scientific Research and popularization of science among students and public in the State. In order to facilitate Intellectual Property Rights, the Patent Information Centre (PIC) has been set up at the Tamil Nadu State Council for Science and Technology, Chennai with support of the Department of Science and Technology, Government of India, New Delhi to provide facilitation services regarding intellectual property to every person especially to Science and technology community. Scientists, technologists, researchers, innovators, R&D establishments, educational institutions, business entrepreneurs, non-government organizations (NGOs) and individuals utilize the facilities of our Patent Information Centre (PIC) to protect their IPs
